RENEWED PETITION UNDER 37 CFR 3.81(b)

Mail Stop Petition
Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Attention:
Office of Petitions

Dear Sir/Madam:

This renewed Petition under 37 CFR 3.81(b) is submitted in response to the Decision on Petition ("Decision") dated September 12, 2006 dismissing a previous Petition mailed on April 19, 2006. A copy of the Decision is attached hereto as Appendix A. The Decision dismissed the earlier Petition stating that the requirements under 37 CFR 3.81 have not been met because "a completed certificate of correction and the certificate of correction fee are both missing from the application file."

Petitioner respectfully submits that a Request of Certificate of Correction was filed in the present application under separate cover on April 19, 2006, the mailing of which was concurrent with the previous Petition submittal on April 19, 2006. To evidence this submission, applicant has attached hereto, as Appendix B, a copy of the

Request for Certificate of Correction along with payment of the fee for Certificate of Correction mailed on April 19, 2006, along with a copy of the postcard stamped by the Office to evidence receipt of the same.

Accordingly, applicant respectfully submits that the requirements under 37 CFR 3.81(b) are met, and respectfully request granting the petition to correct the assignee name. As noted in the previous submission, the failure to correct the typographical error of the correct assignee name on the PTOL-85B form was inadvertent.

No fee is believed due in connection with the present renewed Petition. However, if necessary, the Director is authorized to charge any additional fee(s) or any underpayment of fee(s) or credit any overpayment(s) to Deposit Account No. 50-3001 of Kyocera Wireless Corp.

Respectfully Submitted,

Dated: Oct 17, 2006

OFFICE OF PETITIONS

In re Patent of	:	
Curtiss, et al.	:	
Patent No. 7,024,230	:	
Issue Date: April 4, 2006	:	Decision on Petition
Application No. 10/080,425	:	
Filing Date: February 22, 2002	:	
Attorney Docket No. UTL 00179	:	

This is a decision on the petition under 37 CFR § 1.183, filed April 25, 2006 (certificate of mailing date April 19, 2006), to waive the rules and accept the correction of the assignee data on the front page of the above-identified patent. The petition is also being treated as a request under 37 CFR 3.81 to accept the correction of the assignee data.

The petition under 37 CFR 1.183 is **dismissed as moot**.

The request under 37 CFR 3.81 is **dismissed**.

Effective June 25, 2004, 37 CFR 3.81(b) has been revised to no longer require the correction of the assignee data prior to issuance of the patent. Therefore, a petition to waive the rule is unnecessary. 37 CFR 3.81(b) currently states:

Any request for issuance of an application in the name of the assignee submitted after the date of payment of the issue fee, and any request for a patent to be corrected to state the name of the assignee, must state that the assignment was submitted for recordation as set forth in § 3.11 before issuance of the patent, and must include a request for a certificate of correction under § 1.323 of this chapter (accompanied by the fee set forth in § 1.20(a)) and the processing fee set forth in § 1.17(i) of this chapter.

In other words, the request under 37 CFR 3.81(b) will be granted when:

- (1) a request under 37 CFR 3.81 and the fee set forth in 37 CFR 1.17(i) are filed,

COPY

- (2) the assignment was submitted for recordation prior to issuance of the patent, and
- (3) a request for a certificate of correction and the fee set forth in 37 CFR 1.20(a) are submitted.

Petitioners have not met the requirements set forth above because a completed certificate of correction and a \$100.00 certificate of correction fee are both missing from the application file. Therefore, the request is dismissed.
